

Second Grade

September 2016

Classroom Connection

WELCOME TO 2ND GRADE!

We have a lot of information that we would like to share with you. Please check out our websites to see videos, homework, newsletters, and other special information.

Mrs. Shannon- mrsshannon516.weebly.com

Mrs. Fowler- mrsjfowler.weebly.com

Mrs. Laube- mslaubesclass.weebly.com

Mrs. Anderson- carsonarmentrout.wixsite.com/mrs-anderson

Mrs. Berwanger- aberwanger2.wixsite.com/con

Technology Connections

***All classes are still in need of ear buds. If you can donate to your class, we would appreciate it. Below are some free apps that can be helpful for your 2nd grader. Throughout the year, these apps will change with our curriculum. Enjoy!

Mathify- a great math app that engages kids in problem solving

Epic! – Free app for educators to use with students. It has thousand of nonfiction and fictional books for the kids to read.

Common Core Number and Operations in Base Ten- This app is a great one for kindergarten through 2nd to work on common core standards that you can choose.

Educreation- This is an app that the students use at school all the time. Great to use for a shite board or can be used to label photos

Splash Math- 2nd grade- Splash math has the core standards we will be covering this year. This is a fun way to practice them.

Sushi Monster- Great app for practicing mental math.

HOMEWORK

Please be sure to check your child's homework nightly. Students should be reading for at least 15 minutes each night. Each night, students will have an assignment from their reading homework board and will be turned in on Friday. All the homework on the board consists of skills that are being taught in class. If your child is having difficulty completing their homework, please send in a note and we will go over them.

Upcoming Events

- **September 30: Interims go home and Early Release**

If you have a question, comment, or concern, please contact your child's teacher.

Mrs. Berwanger: aberwanger2@wcpss.net

Mrs. Fowler: jfowler@wcpss.net

Mrs. Anderson: canderson4@wcpss.net

Mrs. Shannon: dshannon@wcpss.net

Mrs. Laube blaube@wcpss.net

Making CONNections

- It is still quite hot out. The teachers are fine with the students bringing in a water bottle as long as it is filled with water and it has a top that can be closed (no straws)
- If your student is buying excessive snacks, this can run their accounts down pretty quickly. Any student lacking funds for lunch is served fruits, vegetables and water.
