

Second
Grade

November 2016

Classroom Connection

Falling into 2nd Grade

As we begin Quarter 2 we have a lot to cover! In literacy we will be working with a lot of non-fiction texts and focus on text features. We will also be comparing and contrasting non-fiction texts. In writing we will continue to work with the writing process and begin to work on informational pieces. For math we will continue to focus on place value with up to three-digit numbers. We will also start to add and subtract two-digit numbers with and without regrouping! In science we will be delving into the different states of matter through food. Then in social studies we will be looking at cultures.

Technology Connections

Below are some free apps that can be helpful for your 2nd grader. Throughout the year, these apps will change with our curriculum. Enjoy!

Seesaw- a fun app that we will be using to build digital portfolios. You can check out what your child is doing with this app!

Epic! - Free app for educators to use with students. It has thousands of nonfiction and fictional books for the kids to read.

Planet Geo - Free app where your child can play games while learning about geography like different countries, states, cities, monuments & more.

HOMEWORK

Each night students will have an assignment from their homework board. The board is changed monthly. Students should also read nightly and record this on their reading log. Homework should be turned in on Friday of each week. Please contact your child's teacher with any questions about homework. We hope you are enjoying the STEM projects as much as we are!

Upcoming Events

- November 4th: Quarter 1 Report Cards
- November 11th: No School - Veteran's Day
- November 17th - Literacy Night
- November 23rd - 25th : No School - Thanksgiving Break

If you have a question, comment, or concern, please contact your child's teacher.

Making CONNECTIONS

- We appreciate parent support in the classrooms! If you would like to volunteer or help your child's teacher, please make sure to have an appointment arranged with the teacher.
